Develop leaders – How am I?

At Ameri- West our Adult Ministry exists to help young adults grow as servant leaders who use the model of accompaniment as they engage in acts of service, justice and peace in the world.

Here at Ameri- West we always have a place for you in our adult ministry.

At Ameri-west our Adult Ministry works to support and connect young adults and those who work with them.

We are expanding our vision of what it means to be involved in church and what it means to engage a population of young adults who are seeking authentic community and opportunities to serve their neighbors.
